

Grande Lakes Outfitters Signature Team Building Events

Laser Skeet Shooting Challenge

As a team builder or as an individual skill challenge, nothing beats the excitement of “The Laser Skeet Shooting Challenge”. The concept replicates actual skeet shooting, from the Italian made over under shot guns to the skeet launcher. The only difference being that the shots are duplicated with laser, and the sound comes from a high-tech scoreboard that calculates "hits." With the word “Pull!” skeet are launched and the competition begins. It is authentic to a "T", however, the safety level far exceeds any possible live shot. Five contestants participate at a time in this thrilling component, and each round takes about two minutes per five guests. Points and a total score are awarded based on "hits."

(2-4 hour session for 100 guests)

Fins and Skins Challenge

For an exciting team building adventure, Grande Lakes Outfitters presents the “Fins and Skins Challenge”! After the battle lines have been drawn and teams have been selected, The Grande Lakes Outfitters and Ritz- Carlton Professional Golf Team will guide your group in a three station-sporting challenge. Guests rotate among our **Laser Skeet Shooting** station (described above) to our Fly Fishing Accuracy Casting Challenge, and Masters of Miniature Golf Course. The **Fly Fishing Accuracy Casting Challenge** tests the casting skill of attendees as they stand behind the line and try to land the fly in three hoops at varying distances. A G. Loomis fly fishing pro staff instructor will assist, so even the least experienced caster will enjoy this adventure. No hooks are used during this activity, and adequate spacing is set to ensure guests' safety. Guests receive three casts per turn; points and a total score are awarded based on accuracy. The **Masters of Mini Golf Course** is a three-four hole putting station allowing guests to maneuver through a custom built "Miniature" golf course, testing their putting skills through mini-bunkers and obstacles. Assistance from our golf professional staff and equipment is provided (glow golf balls and supplies may be incorporated for evening functions). Guests (or teams) compete for points in a competition culminating in a Laser Skeet Shoot Off to determine the “Fins and Skins Champions”. Guests should come ready with a spirit for adventure and a will to win!

(3-4 hour session for 100 guests)

Great Outdoor Games

For those seeking an even greater adventurous alternative, the “The Great Outdoor Games” could be the event for you! Guests will divide into 10 person teams, and our Grande Lakes Outfitters guides will engage each team in a four station-sporting extravaganza. From **Laser Skeet Shooting**, to the 30 ft. **Rock Wall**, **Fly Fishing Accuracy Casting Challenge**, and **Masters of Miniature Golf Course**, your guests will feel as though the Continental Divide is in Orlando, Florida! **(\$8,000 per 4 hour session for 100 guests)**

All events take place on the outdoor function space at Grande Lakes, and can be customized as team building events, competitions, or an entertainment option for your outdoor reception. Larger groups can be accommodated and pricing is customized based on number of guests and stations.
