

WHISPER CREEK FARM

THE KITCHEN

5PM-11PM
NIGHTLY
09.28.21

Whisper Creek Farm is a 7,000 square foot fruit and vegetable garden that changes seasonally and produces the vegetables and herbs used in Whisper Creek Farm The Kitchen. The farm is also home to our coop where we gather eggs from our chickens, ducks and quail. Nestled behind the coop resides our bee apiary providing fresh honey to our guests. We have partnered with other local farms such as Mountain Trail, Lake Meadows and Joyce Farms, as well as utilizing artisanal charcuterie and cheese from local dairies to offer a crafted farm to fork experience for our guests.

Our menu is built in a tapas style meant to be shared. Our food presentations will be delivered as they are prepared so you may enjoy them at the peak of quality.
