

the menu

Channel the nostalgia of warm summer days sipping cool drinks in the solarium at The Lobby Lounge. In a casually elegant ambiance we call "sunroom chic", relax and savor classic cocktails reimagined.

A story lies behind every person, every place, and every creation. The ground you stand on is rooted in the experiences that came before you, and those experiences define the menu you see here. The Sunshine State has long been regarded as The Happiest Place on Earth, with its seaside ventures, subtropical landscape, and sun-filled days. In the early years of the 20th century, Florida was booming. We find inspiration in the classics, the cocktails that have lasted through the decades of trends and changing palettes, and we break them down and build them up our way, to bring something new to you. We source local regional ingredients to highlight what this state has to offer, but we won't shy away from the global specialties, either. We hope you explore this menu, and find your story in what we create. Cheers!

Thank you for joining us at
The Ritz-Carlton Lobby Lounge!
We appreciate your loyalty.
