

THE RITZ-CARLTON

ORLANDO, GRANDE LAKES

*Sometimes the beauty of going away
is not going far at all.*

We can't wait for your return to our Orlando luxury resort when we reopen July 1.

We have wonderful news we just couldn't wait to share with you!

The Ritz-Carlton Orlando, Grande Lakes will reopen on Wednesday, July 1, 2020, and our Ladies and Gentlemen are so excited to be able to welcome guests once again. We have truly missed you.

The Ritz-Carlton has always been a place where the genuine care and comfort of our guests is our highest mission. We invite you to read more about our [health and safety procedures here](#) as we prepare for your family's arrival.

Our central Florida paradise is a just short drive for our neighbors —who we know are looking forward to some time away to enjoy amazing experiences once again. Our resort resides on 500 lush acres of natural Florida habitat — simply perfect for getting away from it all and enjoying a wide variety of activities.

As we reopen, guests will be able to create lifelong memories as they play our signature 18-Hole Greg Norman Golf course, soak up the blissful Florida sunshine at the iconic Lazy River Pool, inspire their children's imagination through our Ritz Kids programs, or learn more about nature with our Falconry activity. Our vast openness also supports authentic activities for the more adventurous, such as fly fishing, mountain biking, kayaking, eco tours and more with [Grande Lakes Sports](#).

**When you are ready to travel, we would like to share
our Grande Escape Package, which includes:**
